

The Lenox 1,937 Sq. Ft.

Our spacious one bedroom end unit townhome offers privacy, natural light, and an expansive loft space. The second floor loft space has a home office and a second full bathroom along with additional closet space. The Lenox is ideal for those who value the everyday convenience of a first floor master bedroom, an in-unit elevator, and require a large and dedicated office space.

Description: Two-story end unit townhome with one bedroom, 2.5 baths, in-unit elevator, large multi-functional office space, and attached two-car garage.

Unfinished Basement:
1,181 Square Feet
