

Mystic 1,966 Sq. Ft.

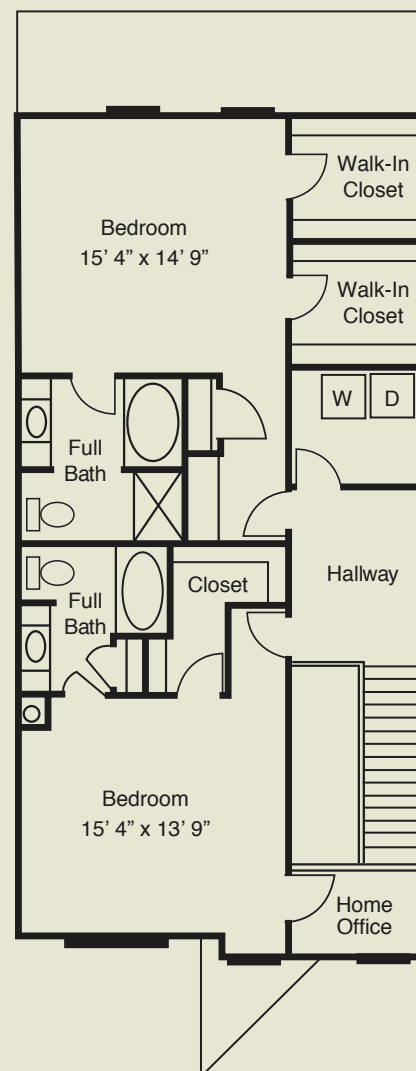

A distinctive floor plan that combines size and versatility. The two-story foyer offers the feel of your own custom home while the spacious kitchen and two oversized master suites provide the space and flexibility that makes this our most popular floor plan.

Description: Two-story foyer, with two large bedrooms each with a private bath, home office, half bath on the first level, dining area, great room with fireplace, two-car garage, and covered porch.

Unfinished Basement:
712 Square Feet

First Floor

Second Floor
